MICHELANGELO FRISONI (visual Fx, filmmaker)

Michelangelo Frisoni (1991) is a Digital Compositor and Filmmaker. He was 14 years old when he started practicing film, and now he mainly works for WebNative projects like Movies and series collaborating with famous YouTube stars, nationally and internationally; Michelangelo worked on the famous American web series "Video Game High School" by Freddie Wong and "Meridian" by MysteryGuitarMan. He also collaborated with YouTuber like Mike Diva and Devinsupertramp.

He took part as Artist and Supervisor in the Visual Effect of the series "Cotto & Frullato" by Paolo Cellammare and "Fuga dalla morte" by Michael Righini.

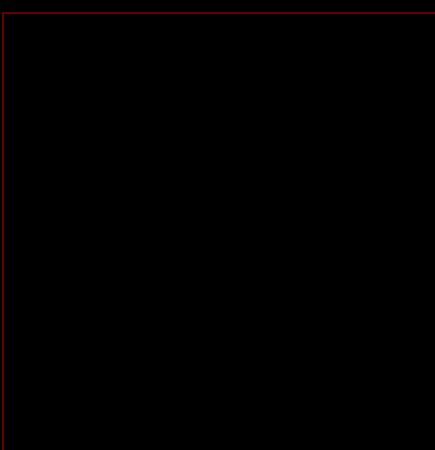

He studied digital compositing in the online VFX school called VFX Wizard. Subsequently, he took part in directing and post-production workshop at UCLA in Los Angeles.

Now he is working as digital compositor for Hive Division on the Web project "Aurora".
